Presenting Problem _____

Past Pertinent History _____

Treatments/Medications Administered. Include dates if known _____

Please include radiographs and copies of relevant laboratory tests. Radiographs will be promptly returned. You may wish to send this information with the client, or send it via mail, or laboratory courier service. Phone consultations are always welcome and encouraged. Radiographic consultations are at no charge.

To all clients presenting animals: Please bring leash or pet carrier for your outpatient, drop-off, and pick-up appointments. If your pet is scheduled for surgery, do not feed after midnight the night before the surgery. It is not necessary to withhold water. Bring any medication that your pet is currently receiving.
